

GAC Nerf Battle Rules

1. Each Player **MUST** have a signed consent form on file with the GAC before a player will be allowed to start.
 - a. Minors (under age of 18) must be signed by their parent/guardian.
2. **Safety Glasses MUST be worn at ALL TIMES!**
3. **No point blanks shots or shots aimed at the head/face are allowed!**
4. No shoes will be worn, but players are required to wear socks.
5. At the start of the game, each player must be touching the wall of their base before the game begins.
6. When you are hit, you must stop playing **immediately**, put your hands in the air and head to your dugout. This does not matter if you are hit by one of you own players or the other team. **Plain and simple, a hit to your body is a hit and you are out! The only exception is if your weapon or shield was hit. Then you are allowed to keep playing.**
7. Guns should not be fired if you are in the dugout or before the game starts.
8. **HONESTY! Please be honest**, it ruins the fun for everybody when players are not honest about hits. If you are called out by one of the referees, do not argue or you will be asked to leave the game.
9. Remember this is just a game and life goes on if you get hit! We are all here to have fun so PLEASE don't ruin it for everybody!

Players who cannot abide by the above rules will be asked to leave the game.
